Mattress manufacturer **Sound Sleep** said it has entered into an agreement to purchase a new facility in Sumner's Valley Distribution Center from **Davis Property & Investments**.

Davis will construct a new 40,000-square-foot building on 2.7 acres of land. Sound Sleep paid \$3.3 million for the build-to-suit package, and plans to open the new facility in December, according to a Davis Properties press release.

Kent-based Davis Property & Investment now has agreements on all five buildings at the Valley Distribution Center. Construction on Building A, which is 155,000 square feet in the more than 60-acre development, is slated for 2006, according to the release.
